Oddballs

Stackable package

THE BALL THAT NEVER BREAKS EYE CONTACT!

At first glance, it looks like a regular ball...but roll it, or spin it—the **design inside never moves**.

Every Oddball is a must-have collectible, featuring unforgettable characters like **Cyclops Drool**, **Hornsby the triceratops**, and **Egg Face**. Each one is packed with unmistakable attitude—from **Pete the Pufferfish's** sly, mischievous glare to the feel-good charm of **Sprinklez the Donut**. No matter how it moves, every Oddball keeps its eyes—and its personality—locked on you.

It's weird. It's hypnotic. It's seriously fun. **Collect them all and see which one stares back at you next.**
