Trace each shape then see how they connect! Try it on your own in the space to the right of each activity!

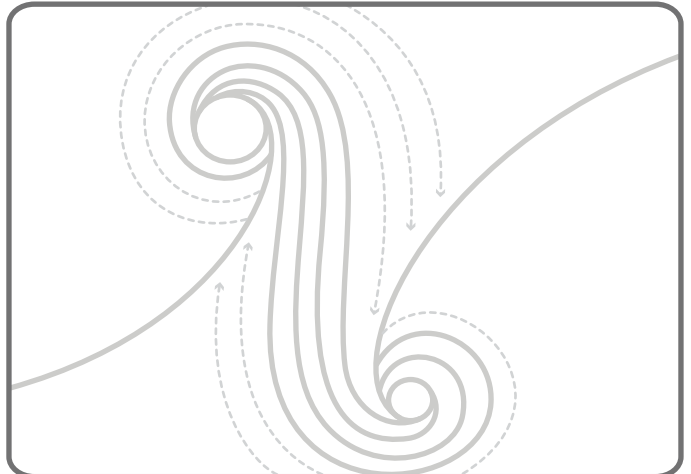

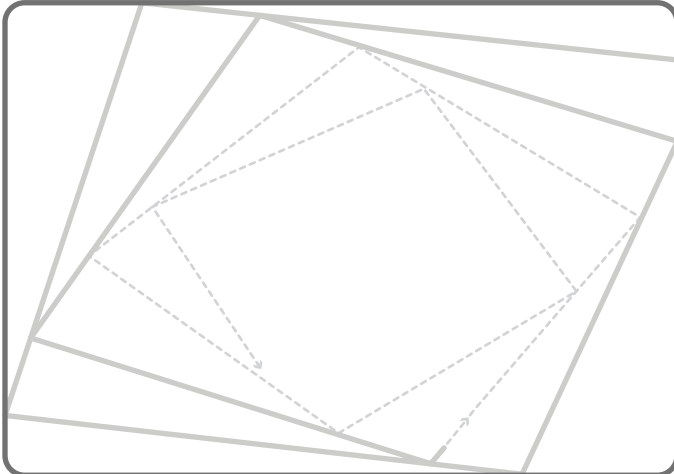

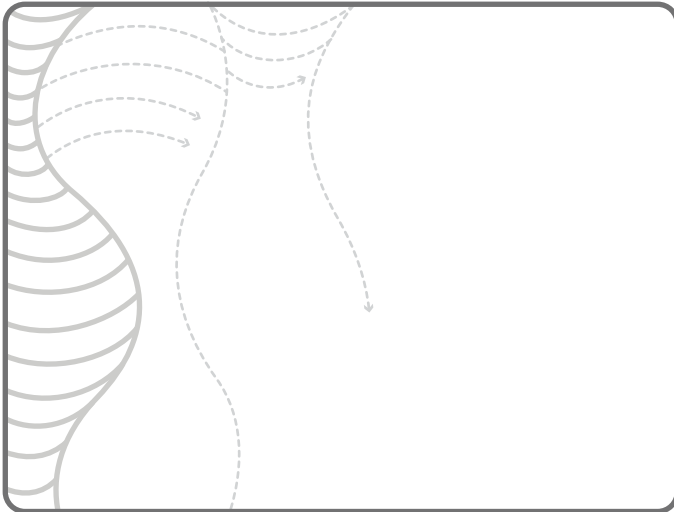

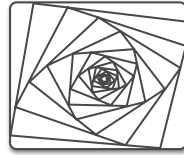

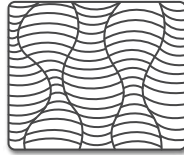

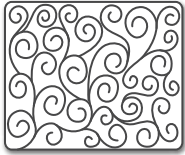

Doodle Flow

Practice Sheets

© 2026 ArtSkills, Inc.

A doodle flow is a relaxing doodle where you draw simple, repeating patterns to make a detailed picture. Use the finished images at the top of the page to get a sneak peek and help you out!

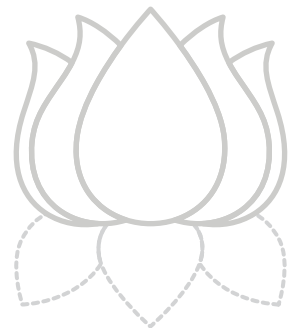

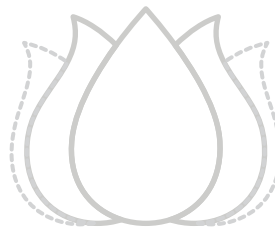

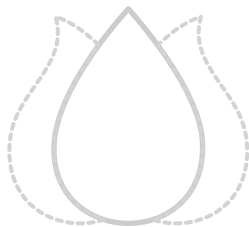

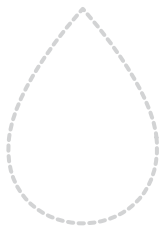

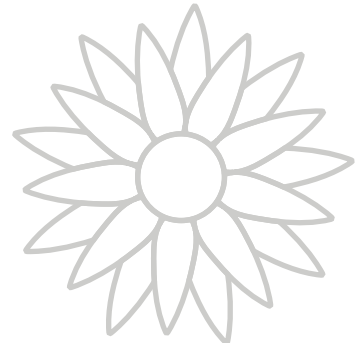

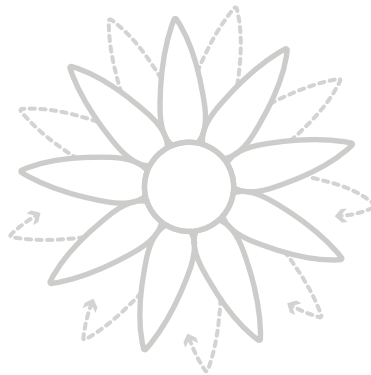

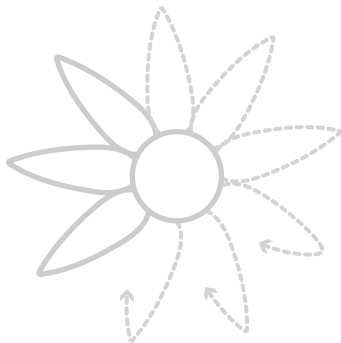

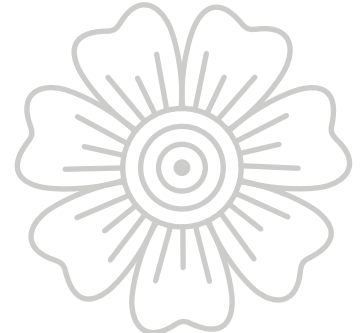

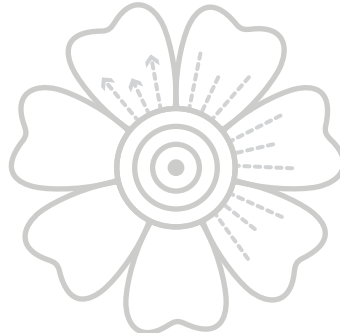

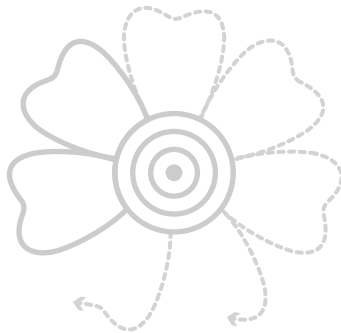

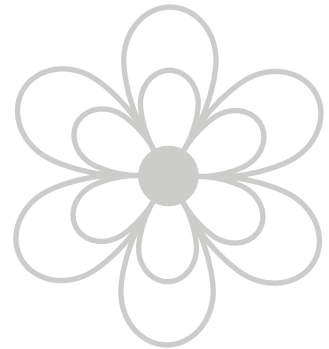

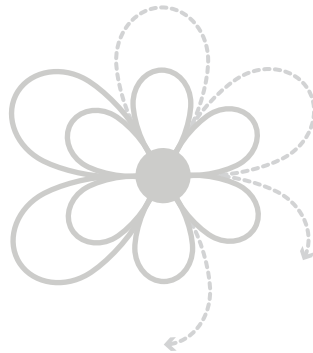

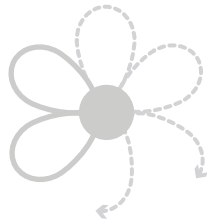

Bloom Builder

Practice Sheets

© 2026 ArtSkills, Inc.

Flowers don't all look the same. Learn how to draw each flower, then mix and match to make it your own!

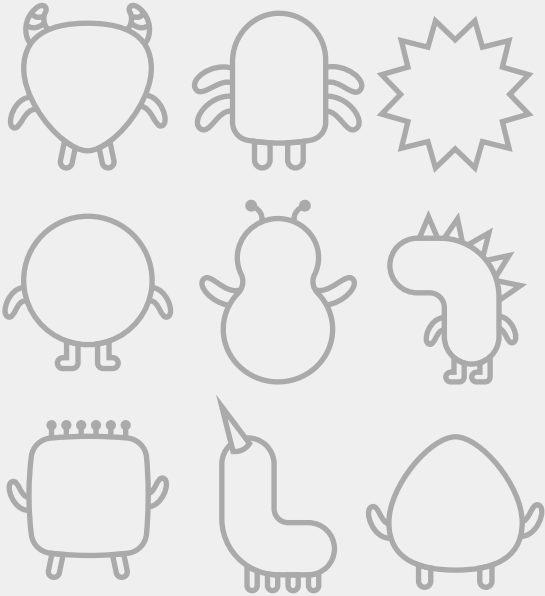

Monster Builder

Practice Sheets

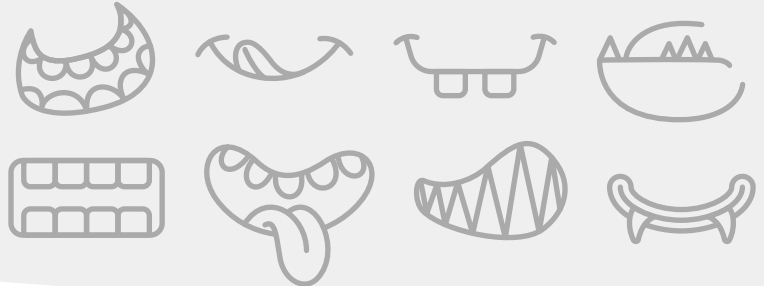

© 2026 ArtSkills, Inc.

Trace then recreate! Mix and match to build some Monsters! Use the visual library below to get started, then let your imagination go crazy! Don't forget to name them and share your creations by tagging us @ArtSkillsinc. or use the hashtag #monsterbuilder

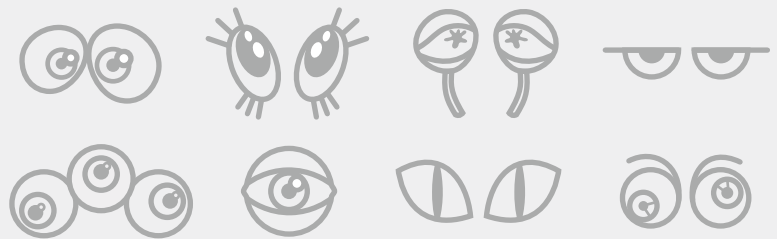

1 Pick a Body

2 Select a Mouth

3 Choose Eyes

4 Draw Your Monsters

Three large, empty rectangular boxes with rounded corners, arranged horizontally, intended for drawing the monsters created from the selected parts.
